#### About College:

Arya Kanya Degree College is a prestigious College for women. The College was founded in 1975, the International year of women and is based on the noble principles of Swami Dayanand Saraswati, founder of Arya Samaj. It is a Constituent College of the University of Allahabad which achieved the status of Central University on 14 July, 2005. The College is located in Mutthiganj, a thickly populated area of the city. The goals and objectives of the College are focused towards proper education of women to build character and make them economically empowered. Our endeavor has been to promote independent thinking among young girls so that they may not only make responsible citizens that contribute to the growth of the national economy but play the role of an anchor in their own families.

#### About Webinar:

We are pleased to inform you that as per the guidelines of MHRD for the holistic development of learning, the Department of Ancient History is organizing a two days International Webinar for the faculty members, research scholars and students. Sooner or later, Mankind has conquered all the disasters and epidemics before 2020 and it has never affected our conquering will. But epidemic i.e. COVID-19 has deeply impacted the soul and the mind of mankind. On the one hand the fear of death is making us selfish and conservative whereas the ardor of life is pushing us to serve humanity. Today, we are house-arrest but how the social arrangement would be, is beyond imagination, once we would be bailed or set-free. Studying the history, mankind has often had to deal with epidemics. Diseases were spread naturally and sometimes artificially also. Humans have won this battle from time to time. Of course, how did we get this victory? What was the cost? History is full of such things.

We have to learn from the past and become wise. With this in mind this Webinar has been organized under the internal quality Assurance Cell and Department of Ancient History in the fight against COVID-19 VIRUS, which is spreading all over the world today.

#### Sub Topic of Webinar:

- Medical Science as described in the 'Atharva Veda'.
- 'JIVAK', a well known physician during the time of Lord Buddha.
- Medical science as described in the 'Charak Sanghita', text written during 'Kanishka' era.
